Biden: U.S. is back in the Western alliance

The heart of the storied Persian empire of antiquity, Iran has long played an important role in the region as an imperial power and later—because of its strategic position and abundant natural resources, especially petroleum—as a factor in colonial and superpower rivalries.

The European Union inked a trade deal with China just before Biden took office, for example, and several European leaders have taken a far softer stance toward Russia than the new U. It'd be a very bad thing for them if they did. Biden appeared on screen alongside German Chancellor Angela Merkel and French President Emmanuel Macron as he wrapped the European leaders in the diplomatic equivalent of a bear hug.
