Fundamentals of Conducting Interviews

Meets with MUAG 5805 MUAG 3800 is a prerequisite for and.

Fundamentals of Conducting Interviews

His extensive teaching experience includes instructing investigators and senior police at the Canadian Police College, lecturing at the British Columbia Institute of Technology BCIT, and presenting at multiple forums within Canada and internationally. During the course of his career with the RCMP, he conducted cyber crime based investigations, including dealing with digital evidence for intelligence and investigations, and he is very knowledgeable with different computer programs and how to use them to analyze, record, archive and store digital media and information. Using a real-life case study, this segment will show how the lessons learned during the day apply in the workplace context.

Fundamentals of Conducting Interviews

Concert review 1 due October 14 Concert review 2 due December 2 Please note: Failure to turn in these assignments will result in a reduction of your final course grade. It provides insights into the setting of a problem and potential solutions. You will conduct live professional musicians as well as conduct to recordings.
