Why wasn't Zina sealed to him in 1846 instead of Brigham Young? The Mormons and Their Bible. Legislative history, the social or political context in which a provision originated, or the fate of a provision in later constitutions can provide insight into how a provision should be interpreted.

**Fundamental Principles, Individual Rights, and Free Government: Do Utahns Remember How to Be Free?**

XVIII; see supra note 278 quoting fundamental principles provision of Mass. An article of our faith is binding upon us.

**March 1886**

In 1890 the Government succeeded in seizing the church's holdings. Fundamental principles, then, are principles of government that people should heed and which function to preserve their rights. Ironically, because Utahns realized that statehood would make them sovereign, Utahns wanted to enter the United States to free themselves from dominance by the United States government.
