Multiethnic Japan

The memory of status hierarchy faded rapidly in the postwar period. Numerous observers such as van Wolferen 1990 and McCormack 1996 have argued that decision-making in Japan is diffused in a complex network of interconnected interests.

KAKEN — Research Projects

None record unofficial work — overtime, training, and networking that is done outside the place of work and not recorded. Philippine governmental elites in Manila also went over en masse and served as a caretaker regime.

[PDF] SPRING index.html. The Japan Foundation 2009

Why did Buddhism exert such a tremendous influence on Japanese funeral practices over the years? The interest in Japanese-style management as a cultural phenomenon both at home and abroad contributed to a worldwide interest in corporate identity and commitment, and to a shift in the late 1980s and early 1990s in emphasis from meso-economic to micro-economic reform with quality assurance, just-in-time requirements, kaizen, and downsizing. They both saw themselves as revolutionaries who held messianic and universalist visions for world politics. In transliterating Japanese names and words, I have followed the guideline in Masuda 1974:xiii.

A Sociology of Work in Japan (Contemporary Japanese Society)

Part II The commitment to being at work 4 Hours of work, labor-force participation and the work ethic 4. With the exception of the research by Nakano 1956, which utilized intensive interviews, the research at Kawaguchi was carried out through surveys.

KAKEN — 研究課題をさがす

Disparities among women are growing.
