### Lot

We only accept requests for condition reports no later than 48 hours before the start of the first sale day. Therefore, she strove to organize space in such a way that it would not be divided into space enclosed within form and excluded from it, but instead for the work to coexist with space and to allow space to penetrate it. All buyers need to provide valid identification in order to be able to participate in the bidding.

### Katarzyna Kobro: Innovative Sculptor of the 1920s on JSTOR

All buyers floor bidders, absentee bids, telephone bids and online live bidders will be informed of the accident. Career In the beginning of 1922, she fled to Poland and in 1924 obtained Polish citizenship. As a result, no complaint will be accepted after the adjudication.

.

### Katarzyna Kobro

Of all potential buyers, and especially of buyers remaining absent during the viewing days and the days of sale, it is expected that they make a request for a 'CONDITION REPORT' regarding all items in which they are interested.

### Lot

To allow time for processing, telephone bids should be received at least 48 hours before the sale begins. They are to be considered only as an opinion, given according to the best of the auctioneer's knowledge and are for guidance only.

### Katarzyna Kobro

Her sculpture conceptualized infinite space, which was to be seen as uniform and without focal or reference points such as the origin of a coordinate system. In 1937, Kobro signed the 1936 Dimensionist Manifesto published by , , and. Her sculpture conceptualized infinite space,

which was to be seen as uniform and without focal or reference points such as the origin of a coordinate system

**Katarzyna Kobro, 1898**
