religion

. And when the messaging is complete, when the message of Christianity equals Islam equals any other religion of the world is imprinted on enough mindsets, then watch and see: There will come the United Nations with the solution for all this religion-based discrimination and intolerance and murder and mayhem— government regulation of religion. The prayer is here seen as a legitimate method for achieving a secularly formulated goal — a good example of how religious NGOs do not necessarily see any contrast between religious methods and non-religious goals.

THE UN PREPARES TO IMPLEMENT ONE WORLD

State of the World Forum Website. Some activities, such as lobbying, often take place at a global level, in relation to the UN headquarters and global conferences, while implementation of projects and monitoring are activities that take place at a national level, often as individual partnerships between specific NGOs and UN organs such as UNICEF, UNDP and UNHCR.

United Nations plan to build a global religion

What rules or procedures for world government could they agree upon? The appointed experts work on a voluntary basis; they are not UN staff and do not receive a salary. However, in recent years, contemporary religious organizations such as NGOs, charities and community associations seem to have achieved particular prominence.

International Religious NGOs at The United Nations: A Study of a Group of Religious Organizations

We have researched the Bayside Prophecies on the United States and Canada and put these outstanding prophecies in a 360 page pocket size paperback book. The Virgin Mary brings directions from God, the Father in Heaven on how to survive the end times.

THE UN PREPARES TO IMPLEMENT ONE WORLD

Thus, like all good complex plans, their timing is identical!! Table 3: Goals and fields of work Goals and fields of work Percentage of all religious

NGOs Culture and recreation, education, health, social services, environment, development and infrastructure, law, defense and politics 47. Within the group of Christian NGOs, for instance, 25 per cent are in some way or another formally attached to religious structures or institutions. Greenberg Center for the Study of Religion in Public Life, Trinity College 2001 , p.

Multi

Among the religious NGOs, the largest group of NGOs 47 per cent focuses solely on secular fields of work and goals, while few almost 14 per cent focus solely on religious promotion. The result will be buzzing confusion -- deliberately undetectable.
