## Daily Mirror

Consequent changes in agricultural techniques, land use, ownership patterns, and ways of life followed swiftly. Lo and behold, through a clearing in the thicket, looms the broad rocky face of Batadombalena.

## SRI LANKA ANDU KRAMAYA HA DESHAPALANAYA

Water trickles from the top of the rock and falls like a curtain, a few feet away from the ledge, where three caves exist. Speaking to the Daily Mirror Minister Jayawickrama Perera said the Basnayake Nilame was temporarily suspended for three months. The once-flourishing Rajarata became a devastated ruin of depopulated villages, overgrown jungle, and dried-up tank beds as the centres of Sinhalese arose in the monsoon-watered lands of the south, the southwest, and the Central Highlands.

## SRI LANKA ANDU KRAMAYA HA DESHAPALANAYA

To reach Batadombalena, turn off at the Eratna junction in Kuruvita and take the Eratna road Proceed approximately two kilometres, turn right to Guruluwana Road. Until you reach an elevation of approximately 200 metres from the road, which presents the most formidable stretch of the climb. Dakkhinadesa, a region to the west of the central mountains, was one such area.

## SRI LANKA ANDU KRAMAYA HA DESHAPALANAYA

This suggests that an extensive contact network between the apeman and inhabitants of coastal area existed during that period.
