### Keizai shingikai hōkoku : kakudai kinkō no shita de no atarashii seichō :

It shows how official involvement resulted in extensive institutionalization of independent volunteers and helped produce an image of volunteerism as apolitical activity for service provision within the volunteer community.

### Cohort

Kazoku Shakaigaku Kenkyu Japanese Journal of Family Sociology 8: 151—161 in Japanese. Although the 1990s have been hailed as the beginning of Japan's volunteer revolution, the paper concludes that this period is better understood as an outcome of earlier state policies which helped fashion independent volunteering into a form of service by domesticated, self-reliant subjects. Jinko Mondai Kenkyu Journal of Population Problems 58 2 : 2—21 in Japanese.

### Reference

AVENELL is an Assistant Professor in the Department of Japanese Studies at the National University of Singapore. Changes in education, laws, and social norms are the background for this transformation.

### Keizai shingikai hōkoku : kakudai kinkō no shita de no atarashii seichō :

He can be reached by e-mail at Abstract This paper traces state policies for independent volunteerism in Japan from 1945 onward. In: Childbearing and Careers of Japanese Women Born in the 1960s. A new lifestyle emerged among women in the 1960s cohort, which was characterised by staying single, having no children, maintaining full-time employment, and delay in social norms.
