They presented me with ideas and suggestions and were patient and kind as I evaluated the choices. No hidden fees, no fast talking sales - just honest, creative jewelers that LISTEN and work to provide you with jewelry you will love. Bottom line - SHOP HERE - personally I will never shop with another jeweler again.

Rest assured that every piece is a classic that can be passed from generation to generation.

To me that is a demonstration of the top quality people you are working with at Treasures. This is not only the state's most awarded jeweler, but also the only store in the state to win a pricing award and the state design contest in the same year.
