**Shadows in the Sun: Travels to Landscapes of Spirit and Desire by Wade Davis**

Resources are disgustingly limited for people who are suffering.

**Shadows in the Sun (2005)**

What do you think about Weldon Parish? She became an advocate for mental illness worldwide, even though she still struggles with depression. Her anguishing journey into the depths of depression is harrowing, brutal and honest.

**Horizon Signal**

Depression is taboo and families are scared and ashamed to seek help. Use the canvas above to draw out your scene.

**Horizon Signal**

Many of the scenes lacked imagination. Whatever is in the hole has been waiting for us for a long long time - I think it's been waiting for me, since before I was born. This is an inspiring story of an Indian woman who overcame severe depression and is now a mental health advocate.
