She includes corroborating papers by some of the notable figures with whom she has worked, along with photographs bringing the memories to colorful life.

## Nicolai Legat

The harlequin, standing at the bar of the Lapin Agile, is a self portrait. The Greek religion became a state religion of Kievan Rus. In this caricature he is shown in an unflattering light, mounted on a snail on his way to Paris, a city in the midst of revolt.

## Nicolai Legat: in the great tradition.

The book and doubtless those that will follow has a cinematic aspect that could, and probably should, evoke a film version.
