The National Organization for Women's 1968 Bill of Rights

The Center's purpose is to engage legal, legislative and cultural issues by implementing an effective strategy of advocacy, education and litigation to ensure that those rights are protected under the law. So, if the people of each state saw fit to subject their respective state governments to similar restrictions, they could do so on their own accord.

In 1968, the National Organization for Women published a Bill of Rights, which they had adopted at their national conference in 1967. The American Civil War ended in 1865. John Dunlap, a Philadelphia printer, published the official printing of the Declaration ordered by Congress, known as the Dunlap Broadside, on the night of July 4th and the morning of July 5th.

The Bill of Rights: What Does it Say?

Eight states currently have their original documents; Georgia, Maryland, New York, and Pennsylvania do not.

Why Does the Constitution Include the Bill of Rights?

He sits in the highest political office. Roosevelt believed strongly that every citizen must be guaranteed the rights to economic security and independence.

The Bill of Rights: What Does it Say?

New York: Oxford University Press. Second Article: No law, varying the compensation for the services of the Senators and Representatives, shall take effect, until an election of Representatives shall have intervened.

Difference Between Constitution and Bill of Rights

You posted that the Constitution and the Bill of Rights are separated, if these two Documents were issued by a King they were.

Bill of Rights

Democracy, Brettschneider says, is often thought to mean majority rule, but the Bill of Rights includes many guarantees of minority rights that are equally necessary to self-government.

It is also called a charter of rights or declaration of rights. Government at all levels is doing more and more things that were once left to private individuals and groups, and the federal government is doing more and more things that were once the province of state and local governments, where greater accountability to the public is often possible.
