Re: de Gordoun & the Spanish G

From one of the cellars — the wine-cellar — a mural stair led to the Hall. Nicolasa and Pedro lived at Las Atarazanas, and their heirs still own it.

Walla' Kirk Graveyard

He was a son of Alexander Gordon by his wife Giles MacDonell, of Keppoch.

The Gordons of Wardhouse and Beldorney (1909 edition)

Some good 18th-century stones and the burial enclosure of the Gordons of Wardhouse and Beldorney, restored by Rafael Gordon in 1913. The original entry was in the re-entrant angle with the square tower. Two wings were built to the west in 1679, while the original entrance was replaced.

James Gordon (Royal Navy officer)

Also attending were members of the Gordon -Sanchiz families who are direct descendants of the Gordon family that owned Wardhouse, Beldorney and Kildrumny at one stage losing the property due to the Spanish Civil War c. Historian Bryan Perrett has suggested that his career was the model for events in the Horatio Hornblower novels of C. St Walloch's Well was sited 30 yards 200 yards {Bailey 1907} below the church and is now dry except in exceptional rain due to the draining of the field.

James Gordon (Royal Navy officer)

Most of it is about Carlos Pedro Gordon, 9th laird of Wardhouse and Kildrumny, who was back in Scotland and living at Wardhouse early in the century. Over time, the Gordons were awarded lands in the northern Highlands mostly in Aberdeenshire where they were best known as the notorious Earls of Huntly they are most easily found in history books under the name of Huntly.

The Spanish Gordon Family Today

J Stuart 1859; Name Book 1870; A Mitchell and J Drummond 1875; Northern Notes and Queries 1900; W Bailey 1907; W D Simpson 1935. John David's sister Katherine Anne Charlotte Gordon b: 1791 was married to a Peter Castelli in Spain in 1837 and died at Jerez de la Frontera.

Re: de Gordoun & the Spanish G

He was without a command until 1807, when he took over the 28-gun frigate , engaged in duties off Cádiz, and was part of a hard-fought action between three British ships and the combined forces of a Spanish convoy, 20 gunboats and land artillery off the town of Rota on 4 April 1808. He was appointed Superintendent of the Naval Hospital at Plymouth in 1828, and in 1832 moved on to become Superintendent of.
