Assistive Technology Conference, Training Tools and Resources

Increasing inequality throughout the 1980s and 90s disproportionately affected Māori and Pacific Islanders, who were over-represented at the bottom of New Zealand's socio-economic landscape. . They will reflect on power and accountability and deepen their relationships to the communities they serve.

Closing the Gaps: Building Black Wealth through Homeownership

These inequalities were exacerbated by the policy reforms pursued by the and governments. While the head of school, business officer and business office staff play a vital role in financial management, these schools made sure that all faculty and staff understood that they, too, had a role to play in closing the gap. All share a vision and measures to track progress, have accountability partnerships, and more.

Closing the Gaps

It had four goals: to close the gaps in student participation, student success, excellence and research. Providing staff with professional development will ensure practical strategies to help AT staff develop the skills necessary to address specific needs, increase effectiveness, build site capacity, and create defensible, sustainable AT services for the long term.

Business Intelligence: Closing the Gap

So until the end of NAIDOC Week we are offering mob Aboriginal and Torres Strait Islander people a discount of 15% on this tee.

Closing the Gaps: Finance Pathways for Serving the Missing Middles

They concentrated their efforts on closing the gap through strategic and intentional fiscal management that was not just the responsibility of the business office.
