Goethe Definition & Meaning

. Ein Beitrag zur tieferen Würdigung des Dichters und Forschers. An hourglass in each of your hands! Blossoms are bursting From every leaf, Thousands of voices From bushes beneath, And joy and bliss From every eye.

Johann Wolfgang von Goethe

Mignon Do you know the land where the lemon-trees grow, In darkened leaves the gold-oranges glow, A soft wind blows from the pure blue sky, The myrtle stands mute, and the bay tree high? The barricading of the kitchen and the cellar against the wild pillaging soldiery was her work.

Goethe's Color Theory

Reed, Goethe Oxford: Oxford University Press, 1984 T. Argumentation, explanation, and demonstration only go so far in their attempt to unravel the mysteries of the world.

Goethe Definition & Meaning

Ah, on your soft pillow, Sleep! There he gained a reputation within theatrical circles while attending the courses of C.

Goethe, Johann Wolfgang von (1749

The hours too softly following each other, Like sisters, but no one quite like another. Now the glow of brighter air shines round my brow: Phoebus, the god, calls up colour and form. So Mars conceived his sons! He said in Scientific Studies: We conceive of the individual animal as a small world, existing for its own sake, by its own means.

Goethe, Johann Wolfgang von

Goethe had four siblings, only one of whom, Cornelia, survived early childhood.

Goethe's Faust

To Charlotte Von Stein Fate, why did you grant us this depth Of insightful vision into our future, So that our love, earthly happiness, Is a thing we can trust in happily never? Early Spring Days of delight Are you almost here? If a white light is projected above a dark boundary, the light extends a blue-violet edge into the dark area.
