The Road to the Tokyo Trials

The gap, which existed until recently, in perception between the people in Japan and its neighbouring countries of the past is clearly seen in a joint opinion survey conducted by Japanese and South Korean newspapers in 1984. When foreign journalists attempted to transmit reports of the attack, their dispatches were amended to place the blame on Japanese aircraft. Chinese censors checked and edited all outgoing news reports. .

Tensai Ouji No Akaji Kokka Saisei Jutsu

Despite their best efforts, the writers are keenly and uncomfortably aware that numerous such errors and shortcomings doubtless lurk undetected in the following lists. On March 11, the first day of defendant selection, former Prime Minister Tojo, former Foreign Minister Togo, and former Planning Bureau chief Suzuki Teiichi were chosen. However, the volume of periodical literature is simply too great to permit its coverage.

The Nanking Hoax:A Historian Analyzes the Events of 1937

Save in the case of the most exacting or specialized research, it is usually possible to obtain equally satisfactory bibliographical information with far less effort from a variety of other sources. The original project was to issue a similar volume for the 1930s, but this seems to have been abandoned in favor of the annual publication by the same agency of the Nihon seiji keizai nenkan q. Data are identified in both English and Japanese.
