If the figure contains text, minimum resolution is 400dpi, and 600dpi where it contains small text or other fine detail. As the journal operates a blindreview policy, author names should be listed only on the title page of the manuscript which should be uploaded separately.

Top 10 Books to Make You a Better Urban Designer

What can the city planner do to make the city's image more vivid and memorable to the city dweller? This book is a reflection on the relationship between new technologies and urbanism, as well as an agile urban design manual with pictures illustrating potential spatial arrangements enabled by the new technologies.
