Institutions and bodies

Citizens should be able to expect the state to be capable of maintaining peace and guaranteeing the strategic security interests of the country, as well as ensuring that their lives, property, and political, economic and social rights are safeguarded.

The Role of Parliamentary Diplomacy in Foreign Policy

Both a principled and pragmatic approach. I would like to stress the importance of the to fight disinformation and the support that this Parliament has given to the StratComm services. Italy and the FRG joined WEU at once.

The European Parliaments

I think it is a good achievement. Figures from other sources are not included.

EUR

I would not do hyperbolic declarations about how good we have been doing on everything, because I am very much aware that we have to do more. In the EGD it is invoked to suggest that climate change potentially poses a threat to regional and international stability, presumably with the intention of motivating other governments to act on climate change. However, its interdisciplinary character makes it easier to approach in two levels of analysis.
