recently issued government debts; Millennium Bond Agency bond and Diaspora bond would trade successfully and add value.

Public External Debt, Capital formation and Economic growth in Ethiopia

Instead, he believes that African countries would be better off using their scarce human, material, and institutional resources to improve their current banking system rather than to promote stock markets. There is specially a good case for using deficit financing to utilise the existing under-employed labour in schemes which yield quick returns.

Capital Formation: Meaning, Process and Other Details

There are two different competing perspectives about the formation of stock market in Africa, and in particular Ethiopia. Its good name was affected and access to external concessional borrowing window was denied.

Capital Formation: Meaning, Process and Other Details

The countries having higher levels of income are able to save more. India is receiving a good amount of foreign capital from abroad for investment and capital formation under the Five-Year Plans.

[Jul 2021] New Private Banks Under Formation in Ethiopia Latest Ethiopian News

Government is building dams, steel plants, roads, machine-making factories and other forms of real capital in the country. But experts said that is informal deposit placement between banks is not really efficient.
