## Shanghai Folk Music

The results revealed that these bones were of the breed, *Bos taurus*, and a phylogenetic tree indicated that the four cattle bones formed a monophyletic group with Jeju native black cattle. It recounts the violent upheavals that plagued the Chinese people for decades until they were replaced, rather suddenly in recent years, by prosperity and stability. People would check them out simply from curiosity.

The textbook shall be used together with the video program.

## CHINESE

Also, in Beijing's Beihai Park, the former Imperial Gardens adjacent to the Forbidden City, twelve monumental bronzes were sited around the lake among spectacular Ming Dynasty settings. As a program specially designed for foreign learners, it introduces the rules on the structure of Chinese characters, offers instruction on the recognition and writing of Chinese characters, and explains the 29 stroke types as well as some 90 characters that contain such strokes.
