She was absolutely delighted to see this book again! The poems are sweet and ideal for the young child. An enjoyable read for all ages.

The topics of the poems are still relevant to today's children and are very endearing.

### Cyndy Szekeres' Book of Poems by Cyndy Szekeres

The poems aren't too wordy and long, perfect introductory way to teach children about poetry. You can find mice picking strawberries, puffs eating pancakes, and pigs getting ready for bed. A child of the depression, she drew on paper bags, flattened and trimmed by her father, a toolmaker.

It's that personal touch that I like best. An inscription written in blue ink on the inside front cover, see photo 2. Sellers are responsible for following applicable laws and regulations, including posting items with accurate labeling and warnings.

Though this is no baby book, there are no nursery rhymes, no mother goose to be found here. The illustrations are what really make this a favourite, though.
