## The Industrial Revolution, coal mining, and the Felling Colliery Disaster

In the year 1804, they were enabled to supply five thousand stand of arms monthly.

## List of Publications on the Economic History of Great Britain and Ireland Published in 1967 on JSTOR

At the house of Mr. On the Bransford district, to widen the road at Bransford Cart House ; to make certain improvements at Suffitdd Brook and Storridge Hill; besides making the load from Storridge to Mal- vern a turnpike road as already alluded to.

## 10/10/1846 The Worcester Guardian

Cole presents his compliments to the Editor of the Worcestershire Guardian, and would be obliged by the insertion in that paper of the accompanying letter:— To the Editor of the Worcester Herald. Richard Kilcup, by will, 1610, devised a messuage and close of ground, in Bordesley, to trustees, on trust, to bestow all the rents and revenues of the premises, towards the relief of the poor, and the repairing the church, in Birmingham; 13s. Slaney Pakington, a young gentleman whom he was glad to see amongst them.

## An early steam engine in Wednesbury (1966 edition)

The liorse was the chief conveyer of burdens among the Britons, and for centuries alter; if we, therefore, consider the great length of tinu' it would take for tie rains toform these deep ravages, we must plac«! It was a piece of light grass land, with a mixed gravelly sub- soil. That this might long continue to be the case must be the wish of all of them.
