### Zhi Lin: A New Old Master

Third, abstraction is more advanced than representational art. And each time, this expectation has been disappointed, as the phase of Modernist art in question finally takes its place in the intelligible continuity of taste and tradition.

### Some Thoughts on Clement Greenberg and His Legacy

It had been broadcast over that agency's radio in the spring of the same year. From the point of view of art in itself, its convergence with science happens to be a mere accident, and neither art nor science really gives or assures the other of anything more than it ever did.
