psychology

A telegram from the OSS outpost in London reported that Berlin was passing off Rhapsody in Blue as a German melody. According to OSS internal evaluation, hundreds of German prisoners of war testified that the musical entertainment provided by the Anglo-American Soldiers Station was largely responsible for the station's high listener rating. Journal of the History of the Behavioral Sciences, 33, 39-60.

Some Psychological Bases of the Institution of War

Cambridge, UK: Cambridge University Press. A war time aircraft pilot should be prone to take risks, but at peace time such a kind of a pilot would put people in danger or cause much accidents and financial and material damage.

The Psychology of Racism

Morale Operations British Political Warfare Executive venture that began in 1943 and for which the OSS provided twelve writers and six musicians. The program broadcast, news, music, nostalgic stories and anti-Nazi propaganda to enemy troops and civilians, many of whom suspected the broadcasts were of Allied origin but whose suspicions were never confirmed.

'Psychological trauma and stress': The lasting impact of the 'Muslim ban'

Lacked sense of self, and used group to define it. Furthermore, the norms and values operating will be influenced by, and will influence, the mass media and other channels of social influence. Through leaflets and loudspeaker broadcasts, PSYOP forces walked many enemy soldiers through successful surrender.

Operation homecoming: psychological observations of repatriated Vietnam prisoners of war

But the term was not generally applied to broader, longer-range propaganda efforts. A frequently important aspect of group membership stems from the fact that individuals need to find support for their beliefs, and this may be obtained from those who share those beliefs.

7 Unusual Experiments by the U.S. Military

This again provides respectability for aggression against him. The made substantial—and notorious—use of psyops.

The Psychological Bases for War

. San Francisco: National Asian American Telecommunications Association, 1999. The song urges people to mount nonviolent protests.
