Systematic Theology Comparison Chart

Systematic theology is different from: Historical theology studies how Christians have understood various theological topics throughout history. Evangelical Feminism: A New Path to Liberalism?. You may unsubscribe from these email communications at any time.

Systematic Theology Workbook: An Introduction to Biblical Doctrine

Systematic theology cares about the early fathers of the church and the creeds which are the fruit of their ecclesiastical labors. And apologetics is the defense of the truthfulness of Christianity. Disclaimer: The above resources provide information consistent with the latest research regarding the subject area.

Unsystematic Theology

This truth defines our foundational principles, from our Doctrinal Statement to the Code of Honor. Some scholars criticize systematic theology for its internal consistency, suggesting that it conforms Scripture to fit our own ideas about the topic. Christian theology supplies a biblical perspective on reality.
