Rosa Rose: And Other Poems by Robert Priest, Joan Krygsman, Paperback

Go ahead, you have my permission to do so. A garden having roses of one type, Is like a lawn or carpet, not too good; A garden with variety of roses Is feast to eyes that watch their hues and shapes. Because of that, many poets have used the color, and the fragrance of roses as inspiration to create rhyming in literature and poetry.

The Rose and Other Poems By Naresh Kaur

Cool through the heat of summer, Still as a sacred grove, It has the rapt unworldly air Of mystery and love. Then god the mother said to Jim, in a dream, Never mind you, Jim, come rest again on the country porch of my knees. The incredible vibrant beauty the sweet delectable scent.
