Religion and Science (Stanford Encyclopedia of Philosophy)

Many fight for patriotism: for country, tribe or race.

Doesn't religion cause most of the conflict in the world?

The vast majority of wars have been conducted in the pursuit of profits or power, or waged for territory or tribal supremacy, even if religion has been caught up in those pursuits.

World Religions Flashcards

If while claiming to be God he knew this claim to be false, he was a liar.

Christianity

Keynes: Useful Economics for the World Economy. Pascal assumed, in disagreement with Thomas Aquinas but in agreement with much modern thinking, that divine existence can neither be proved nor disproved. Clemenceau also pushed for substantial reparations, though not as high as those proposed by the British, while on security grounds, France argued for an even more severe settlement than Britain.
