Climatology: Methods

Various statistical and analysis methods are used to assess the temporal and spatial variations of climate and the spatial interrelationships. Olago Dordrecht, The Netherlands: Kluwer Academic, 2002 , 369—392.

Methods in Climatology

An example of entries for Lesotho in several years is shown in Table 2. University of Wisconsin, Madison, 1975 ; and S.

The scientific method and climate change: How scientists know

This resulted in the publication of a gauge record for the Sahel extending from 1854 to 2014 and a similar record for the Guinea Coast extending from 1886 to 2014.

Climatology: Methods

Such references are plentiful in African history. Figure illustrates negatively and positively correlated rainfall series.

Climatology: Methods

This approach also demonstrated the occurrence of severe drought in the Sahel in the 1640s, 1680s, c. Monthly Weather Review 104 1976 : 307—315.

The scientific method and climate change: How scientists know

The 1880s saw relatively good conditions in much of northern Africa but dry conditions in equatorial regions.
