Moreover, the best tool of analysis may well be the biography since the lives of individuals, and prosopographical approaches enable us to establish the pathways and choices made by individuals, and groups of individuals, who straddled nationalist and labourist politics across national borders.

**Ulster**

Lowe has held academic leadership positions for many years and, prior to joining Indiana University, he was Provost and Professor of History and Interim President at Metropolitan State University in Saint Paul, Minnesota. There were two main political movements in Lancashire in the mid-century, the Irish Confederates a short-lived nationalist group founded by the Young Irelanders and the Fenians; both of these groups were secret nationalist organisations.
