## Korean Confucianism

As in China, Buddhism divided into the more urban faith rooted religious texts and the more contemplative faith of the rural areas. March 2014 By the time of the Dynasty 918—1392 the position, influence, and status of Buddhism far exceeded its role as a mere religious faith.

1450

Traditional Korea a Cultural History.

1450

The statistical studies done on this subject can be misleading, however. Uniting into a single peasant guerrilla army Donghak Peasant Army the rebels armed themselves, raided government offices and killed rich landlords, traders and foreigners. Unbound by family relationships, these men were free to attack their neighbors and accrue holdings.
