Syri

The Syrian government used violence to suppress demonstrations, making extensive use of police, military, and paramilitary forces.

Syria Now

'Alawites also dominated the security forces and the irregular militias that carried out some of the worst violence against protesters and suspected opponents of the regime. Videos of security forces beating and firing at protesters—captured by witnesses on mobile phones—were circulated around the country and smuggled out to foreign media outlets.

Syri

Sanctions in August 2008 prohibited the export of U. Government authorized additional sanctions for serious human rights abuse against the Syrian people and for efforts and activities undertaken to evade sanctions. .

Syria

In some cases this meant encircling cities or neighbourhoods that had become hubs of protest, such as Bāniyās or , with , , and attack and cutting off utilities and communications. In his public statements, Assad sought to portray the opposition as Sunni Islamic extremists in the mold of and as participants in foreign conspiracies against Syria.

Syria

Opposition militias began to form in 2011, and by 2012 the conflict had expanded into a full-fledged civil war. Syria severed diplomatic relations with the United States in 1967 in the wake of the Arab-Israeli War.
