### Building Trades

What They Do It only takes one time of trying to install carpet in order to for a person to fully appreciate a professional carpet installer. Carpenter careers include measuring, cutting and shaping wood and other materials.

### Programs

Each school offers different courses and opportunities. What They Do Dealing with wiring within your home can be confusing and incredibly intimidating; it is a job best left to a professional electrician.

### Opportunities in building construction trades (1999 edition)

Employment Outlook and Salary Information The U.

### Illinois Works Jobs Program to boost opportunities for apprenticeship programs in building and construction trades across the state

They build things such as stairs, doorframes, partitions, rafters, and install items such as kitchen cabinets, siding, and drywall.
