Plenary 01/12/2020

By contrast in European nations, more restrictive government policies on businesses in terms of hiring and firing workers was seen to lead to conditions of more stable employment for those with jobs, and much longer unemployment for those without jobs as compared to the US workforce. Sut gall pedwar o bobl o bedair gwahanol aelwyd yn cael paned gyda'i gilydd fod yn fwy diogel na dau berson o'r un aelwyd yn cael peint? There is also a big issue about diversity in democracy. Mae cryn dipyn o waith yn mynd rhagddo i greu parthau gwyrdd, fel y'u gelwir, yn ein hysbytai—parthau heb goronafeirws—fel y gall llawdriniaethau ailddechrau, ac fel y gall pobl fod yn hyderus wrth ddychwelyd i'r lleoliadau hynny na fyddant mewn perygl o gael eu heintio gan bobl sy'n dioddef o'r afiechyd eisoes.

I have the pictures on my phone; they are too graphic to show in any meaningful way without being the cause of upset. To take May I take a message? Mae e nid yn unig yn sarhaus i fi, fy rheulu ac i'm plaid i i awgrymu bod yna agweddau gwrth-Seisnig ynghlwm yn fan hyn, ond mae hefyd yn celu'r gwir reswm, wrth gwrs, dros ei godi fe, sef diogelu'r cyhoedd a hefyd cynnig tegwch, er enghraifft, i'r ferch ifanc oedd wedi cysylltu â fi neithiwr o ardal Bangor, oedd yn gofyn y cwestiwn yn syml iawn: 'Pam na allaf i fynd i weld fy mam-gu tra bod pobl o ardaloedd clo mewn rhannau eraill o'r Deyrnas Gyfunol yn gallu dod fan hyn i gael gwyliau? The Conservatives promised us years ago that austerity would be borne by those with the broadest shoulders, yet they loaded it on those already bowed down under debt and poverty. Well, Llywydd, I'm long used to the fact that the Conservative Party in Wales is an irony-free zone, but, even by its normal standards, that supplementary question goes a long way to taking the biscuit.

Labour Market Impact Assessment LMIA Process

How does she go to work? I cannot recall a statement recently from the health Minister around ambulance services, and it is important that we understand how the Minister is engaging with the trust to make sure that, where possible, such delays as I've outlined this afternoon are not experienced by people who require an ambulance to attend as a matter of urgency.

Yn sgîl rhyfel a ymladdwyd i bob golwg er mwyn gwarchod hawliau cenhedloedd bychain, yr oedd yn eironig gweld llywodraeth sosialaidd y cyfnod yn bygwth bywyd Cymru.

A wnewch chi ystyried ailagor y sector lletygarwch dan do o 13 Gorffennaf, ond yn bwysicach fyth, eu hysbysu ynghylch hynny yn awr? Eto gall Llafur gael llai na'r Blaid Werdd. It is important that lessons are learnt and it is important that what's learnt from those lessons is put into practice. Fe fydd hyn yn ychwanegu at y £100,000 a ddyrannwyd i Gymru o gynllun argyfwng COVID ledled y DU.

1000 Lives Improvement

In those communities where coronavirus has been in particularly violent circulation—that's certainly been true of RCT—then those risks are even greater. Trwy hyn, dysgwyn y Cymry i barchu eu hanthem genedlaethol eu hunain. Clearly, as you say, I will make a statement later this week.

First Minister, that is simply not good enough. Another area where there is evidence of social inequality is in the health sector. Nawr, fel cadeirydd y grŵp trawsbleidiol ar Ddeddf aer glân i Gymru, a gaf fi ofyn pryd y bydd y cynllun hwn yn cael ei gyflwyno yn y Senedd, a phryd y cawn gyfle i ofyn cwestiynau ar fanylion y cynllun a chynnwys y Papur Gwyn a ddaw'n sylfaen i'r fframwaith deddfwriaethol ar gyfer Deddf aer glân newydd i Gymru? Secondly, using the novel techniques developed by specialists in Bangor University, we're now monitoring the waste water from points along the coast of north Wales and north-west England, and we're seeing significant loads of genomic copies of COVID-19 that show an increase in the likely prevalence of that virus in catchment areas.

Dywedodd yr adroddiad 'Cynaliadwyedd Ariannol Llywodraeth Leol o ganlyniad i'r Pandemig COVID-19' fod cynghorau yng Nghymru, yn ystod chwe mis cyntaf eleni, wedi cofnodi costau ariannol o £325 miliwn oherwydd y pandemig ac er bod cronfa galedi llywodraeth leol Llywodraeth Cymru wedi gwrthbwysu hyn i raddau helaeth, mae'r adroddiad yn nodi ffigurau gan Gymdeithas Llywodraeth Leol Cymru sy'n amcangyfrif y bydd cynghorau'n wynebu pwysau cyllidebol o tua £600 miliwn erbyn 2022-23. And, again, we have questions to the health Minister tomorrow, so there may be opportunities to discuss in some further detail the question about pressures on hospital sites across Wales. Ni ddylid caniatáu i'r ffôrdd draed moch o ymdrin â cham 3 y gronfa cadernid economaidd gael ei hailadrodd.
