Apostolic Constitution Veritatis gaudium on Ecclesiastical Universities and Faculties (8 December 2017)

See or approved by a formal decree of the Ap.

Code of Canon Law and Marriage.

Now, if on these occasions it were allowed to offer the Eucharistic Sacrifice, which is the living Fruit of divine grace and which commands our will to burn with the desire of acquiring virtue, there is no doubt that strength could be drawn from this by which all would be stirred profoundly to think and act in a Christian manner and to obey legitimate laws. These references appear in red and refer to the 1917 Code of Canon Law which was replaced by the 1983 Code one year after the Prelature of Opus Dei was erected.
