### Professional Oklahoma Educators

It is fair to assume that the number of individuals approaching LSC grantees is very close to the number of problems presented to them in this six-week period of time.

### Full Service Legal Representation Survey

Abstract Representatives play a critical rôle in Employment Tribunal ET cases in the UK. Despite the problems of gathering data from attorneys, we still feel that it is important to survey them. Special Focus Rates of seeking professional legal help do not vary much across the groups highlighted in this report.

### Legal

The Intake Census Instrument has three main data collection categories: 1 Unable to Serve, 2 Unable to Serve Fully, and 3 Fully Served. While stationed in Alabama, she divorced, but a name change was not included in the divorce.

### Full Service Legal Representation Survey

When people do not seek professional legal help, they often turn to other resources.

### Data

Sixty-five percent of grantees offer in-person intake on a walk-in basis for at least 30 hours per week; 53% offer in-person intake by appointment for at least 30 hours per week; and 55% offer intake by phone for at least 30 hours per week. See the LSC 2017 Case Service Report CSR Handbook for more information on these definitions:.

### Commission on Parental Legal Representation Client Survey

Six in 10 have internet access at home, at work, or at some other location, while the remaining 4 in 10 only have internet access on a mobile phone

or have no access at all. Additional methodology details can be found in the full technical survey report. Of course, different types of problems require different types of help and to varying degrees.
