What should be the priorities for future funding? Nodaf fod yr Aelod yn cyfeirio at y digwyddiad a fynychodd yr wythnos diwethaf. Following on from the question from Russell George, the Welsh Government, in response to the feasibility study in 2015 on the development bank, said that its preferred approach was one that specifically prescribed a management and organisational structure different to that currently managed by Finance Wales, i.

The success of the bid is a reflection of all the hard work and co-operation that the members have put into the idea of the Learning Festival concept since its very beginning, so a great big WELL DONE, from NIACE DC! There is the need, going through them, to actually be able to deliver a service properly. I thank the Member for the question.

The fact of the matter is that, up to Brexit, exports from Wales are something that we should be proud of. In fact, 210 women have presented to Withybush midwifery-led unit since it has been opened. One of the areas that this severely impacts is the provision of support and diagnosis for young people and children with autism.
