Lucie Rie

I have just realised that we don't have a Lucie Rie thread so here goes.

Lucie Rie & Hans Coper

These two large scale vases, Spade Form, and Disc Form executed circa 1977 and 1965 respectively, come from Coper's later period when the larger pieces took on a more figurative quality a perfect example of Coper's mixing pottery with sculpture. Despite popping in regularly the shop never had another clearance like it.

Lucie Rie Hans Coper
