The secret world of underwater archaeology

Story of underwater archaeology examining the human history over 4000 years.

CLASSIC DIVING BOOKS

Author worked with Jacques Cousteau, and collaborated with him on The Silent World.

CLASSIC DIVING BOOKS

Dimensions: 24 cms tall by 16 cms wide Details from the dustjacket: Captain 'Black Sam' Bellamy and his band of pirates terrorised the high seas, looting gold from more than 50 ships and loading it into the Whydah, a captured slave ship, before losing one last furious battle with the elements and sinking off the coast of Cape Cod in the great storm of 1717. Subtitled A Handbook for Underwater Exploration.

The secret world of underwater archaeology

But Port Royal did not easily give up its treasures: working on a painfully slim budget, Marx and his rag-tag crew had to cope with murky, polluted waters; inhospitable sharks, eels and crabs; razorsharp coral and ancient walls on the verge of collapse; and the intractable opposition of some financial and political interests. Comprehensive reference on the discovery and recovery of the submerged past from sunken cities to ships.

CLASSIC DIVING BOOKS

Covers several early archaeological projects in various parts of the world, including Spanish galleons, and the work of Teddy Tucker in Bermuda.

CLASSIC DIVING BOOKS

DEEP-WATER ARCHAEOLOGY Frederic Dumas, co-author of The Silent World. As the title suggests, this excellent book covers the remarkable work achieved in the Mediterranean.

Four thousand years under the sea: excursions in undersea archaeology : Diolè, Philippe : Free Download, Borrow, and Streaming : Internet Archive

Hardcover, dustjacket green-left , 224 pages, many mono photographs and line drawings. Author: Heike Mund When the French diving instructor Henri Cosquer discovered in 1985 the access to a flooded cave at a depth of 37 meters 121 feet , during a diving tour in the Mediterranean off the coast of Marseille, he didn't know that it concealed an archaeological sensation.
