I missed a film recap of the CA BDR that was held up here PDX area at the end of February. He came wandering into our camp and presented such an awful appearance, simply a skeleton of a once grand and powerful man.

Death Valley in '49: Important Chapter of California Pioneer History

There are also issues of race, religion, class - all just as relevant in 2019 as they were in 1849. He wrote an , first published with the title From Vermont to California, then a second edition with the title Death Valley in '49, that tells of the pioneer experience in the , in particular the 1848. .

Restaurants

Such a cool, cool story.
