Astride a Grave (Harpur and Iles Book 20)

You point is an extremely valid one if the statement you quote is taken in total isolation and with no reference to my book. He was a reporter with the Daily Mirror and various other newspapers after serving with the RAF He is married, with four children, and lives in South Wales. Particularly during this last year of the pandemic, the sameness of the days makes them seem to move by more quickly.

The Huge Entity: Astride of the Grave

James's vision is dark and droll. That is the relationship between these two entities at its most simplistic. In James's world, the good guys-- Detective Colin Harpur and his scheming, sarcastic superior officer, Desmond Iles--often seem more evil and lust-fixated than his bad guys, who here boast nicknames like Caring and Panicking.
