## Architecture for the new world. The work of Harry Seidler

Architect Harry Seidler with model of Westpoint Towers, Perth unbuilt , 2005. New York, Karl Kraemer Verlag Stuttgart, 1973. Australian Embassy, Glen Street Offices.

## Harry Seidler & Associates

After graduation, he travelled to Rio to work with Brazilian architect Oscar Niemeyer. Although he had returned to Vienna to visit a number of times, the trip Dellora joined him on during the 90s was of particular significance, as Seidler had been invited by the Viennese government to design a social housing development on the Neue Donau. With its comprehensive map, aerial photographs, and array of images, this book is the ideal companion for those exploring Australia by Robin Boyd Book 1 edition published in 1980 in English and held by 57 WorldCat member libraries worldwide Fifty years after its first publication, Robin Boyd's bestselling *The Australian Ugliness* remains the definitive statement on how we live and think in the environments we create for ourselves.
