Selling and Jan Jans, Grand Rapids, Michigan: William B. Further, claims that Aquinas makes regarding the relationship between the contemplative moral virtues and the active moral virtues provide an analogy for understanding how infused charity might relate to the acquired moral virtues. It took six years, and if rumors could be believed several drafts, for this encyclical to be published.

The shaping of moral theology: Veritatis splendor and the debate on the nature of Roman Catholic moral theology.

So if your eye is sound, your whole body will be full of light; but if your eye is not sound, your whole body will be full of darkness. Would you comment on this line of argument, also and especially in light of your own concern about the possible undermining of the moral absolutes as it is laid out in *Amoris Laetitia*? Acknowledging the call by Vatican II for renewal, the encyclical states: The Council also encouraged theologians, while respecting the methods and requirements of theological science, to look for a more appropriate way of communicating doctrine to the people of their time VS, 29.
