**Jean Aubin**

The figure was drawn mainly based on the description of Isfahan by Jean Chardin and on the result of field work by Gaube and Wirth, Der Bazar von Isfahan. Many of those who appear in the histories however had a different character and function.

Contrariwise we see in the Occident,

where the dominance of the Evangelical doctrine reigns as much as it is possible today, that next to nothing has remained of the true purity of Christian deeds or perfections except in ceremonies, so much so that Occidental life is a scandal in the eyes of the whole world, and primarily with regard to the ecclesiastic princes and judges, who ought to be answerable for the Saintliness of their office.

## Military Manpower in Late Mongol and Timurid Iran

De même, les fameuses réformes de Ġāzān ne semblent pas avoir changé les pratiques dans le Fārs, contrairement à ce que laissait penser le témoignage célèbre de Rašīd al-Dīn.

## Mondes iranien et indien

The famous text by Richard Knolles, The Generall Historie of the Turkes , published in 1603, owes much to Löwenklau, as Knolles had no direct access to Ottoman sources. לאחר שרכש את הערכתם של האילח'אנים הוא מונה בשנת לתפקיד של מפקח פיננסי מטעם השושלת בבגדאד.

## **Mondes iranien et indien**

The local military class of Iran fails to appear prominently in the dynastic histories, but we are used to making up for this in the case of Sufi sheykhs, ulama and urban notables, all of whom have other sources which inform us of their importance.
