Irish Law Updates: LRC Consultation Paper on Duress and Necessity

It is estimated that thousands of individuals, including many civilians, were killed in a three-week siege that left the city in rubble. Of course there will be a danger that protection the OSA provides will prove ineffective.

The public, should, as far as practicable, be protected against the risk of unlawful violence. Even if the specified and specific intent can be established not only when the particular purpose is to cause the event but also when the defendant has no substantial doubt that the event will result from his conduct, or when he foresees that the event will probably result from his conduct, the test is still based on actual foresight.

Consultation Paper on Duress and Necessity

This issue is of general importance in an area where there is as yet little guidance. Central to the issues on this appeal are the terms of the OSA. Submission 163 24 April 1980.

Thus, significant checks and balances remain in place and are available to investigate and, to such extent as the holders of those utterly independent offices consider appropriate, make public.

Defences (General) h

This consists of Members of the House of Commons and the House of Lords who are not Ministers of the Crown; its remit is to examine the expenditure, administration and policy of the Security Service, the Intelligence Service and GCHQ: see section 10 1. We have not dwelt upon the other gateways set out in section 12 1 of the OSA any one of which would be available to a former security and intelligence officer in particular, Minister of the Crown, civil servant and police officer.
