The Art of Arousal

We are conscious and make our students conscious that while we share authentic intimacy, sexological bodywork sessions are not a substitute for ongoing personal sexual partnership. The result was Barbara achieving an orgasm for the first time in years.

Welcome

Fine first edition oversized hardcover in fine jacket.

Welcome

This answers first letter of which starts with D and can be found at the end of H. Certified Sexological Bodyworkers are trained sexologists whose certification is approved by the State of California. A very open and accepting book.

Praise

As I have told her, following our sessions the sun is brighter, colors are livelier, music is sharper and my attitude towards those around me and life in general is much more positive.

The Art of Arousal author crossword clue

Robyn made it clear that she would both guide and hold space for me in those areas of my sexuality that I had long wanted explore. I love my new embodied self! The experiences are so kind, compassionate, vulnerable and intimate, each week, each experience.
