Census Records

In respect of any person aged 16 years or over but under 75 years on census day, who was not doing any work at any time during the week preceding census day whether— a he was actively looking for any kind of paid work during the 4 weeks preceding census day; b if a job had been available during the week preceding census day he could have started it within 2 weeks; c during the week preceding census day he was waiting to start a job already obtained; d during the week preceding census day he was retired, a student, looking after home or family, permanently sick or disabled or none of these; and e he has ever worked and, if so, the year he last worked. The number of deaths per thousand live births gives an indication of the standards of health in the population.

Statistics and research

Dumfries and Galloway Archives holds the 1801, 1811 and 1821 census records for Annan reference GGD626.

Census Records

They have been digitised and are made available as pdf files that are several megabytes in size. In Scotland, the census is planned and carried out by the National Records of Scotland.

Scotland's Census

As we know from publications such as the Adult Psychiatric Morbidity Survey , mental health problems are fairly common. Number of cars and vans owned, or available for use, by one or more members of the household to which the return relates.

My Free Census

The large microfilm and book collections are being digitized and can be found on. The data and analysis is available in full from this.
