## St. Irenaeus

If the names of these Aeons were arbitrary, why not call one of them Gourd and his coexisting power Utter Emptiness? For in no other way could we have learned the things of God, unless our Master, existing as the Word, had become man. It is not through a want of names containing the number of that name that I say this, but on account of the fear of God, and zeal for the truth: for the name Evanthas Euanqas contains the required number, but I make no allegation regarding it. When he returned to Lyons it was to occupy the vacant bishopric.

## St. Irenaeus

For what other visible fruit is there of the invisible Spirit, than the rendering of the flesh mature and capable of incorruption? For it was by means of a woman that he got the advantage over man at first, setting himself up as man's opponent. For there had been a necessity that, in the first place, a human being should be fashioned, and that what was fashioned should receive the soul; afterwards that it should thus receive the communion of the Spirit. Answer Irenaeus AD 130—202 was the bishop of Lugdunum in Gaul modern Lyons, France , a stalwart opponent of heresy, and an influential witness concerning the development of the biblical canon.

## Irenaeus of Lyons

Asen, The Netherlands: Koninklijke Van Gorcum 7 Comp. And He said unto me, Prophesy to the breath, son of man, and say to the breath, These things saith the Lord, Come from the four winds spiritibus , and breathe upon these dead, that they may live. And as he rises actually, so also shall he be actually disciplined beforehand for incorruption, and shall go forwards and flourish in the times of the kingdom, in order that he may be capable of receiving the glory of the Father.

## St. Irenaeus

Now the soul and the spirit are certainly a part of the man, but certainly not the man; for the perfect man consists in the commingling and the union of the soul receiving the spirit of the Father, and the admixture of that fleshly nature which was moulded after the image of God.

## Irenaeus: Life, Scripture, Legacy on JSTOR

In Book I, Irenaeus talks about the Valentinian Gnostics and their predecessors, who he says go as far back as the magician.

### **Saint Irenaeus of Lyons « Catholic Insight**

For by means of the very same hands through which they were moulded at the beginning, did they receive this translation and assumption. He sees Christ as the new Adam, who systematically undoes what Adam did: thus, where Adam was disobedient about the fruit of a tree, Christ was obedient even to death on the wood of a tree. Your Catholic Voice Foundation has been granted a recognition of tax exemption under Section 501 c 3 of the Internal Revenue Code.

### **Irenaeus of Lyon — [public-docs.talentcoach.ir](http://public-docs.talentcoach.ir)**

In the fullness of time, God sent his only son as a second Adam to take on human flesh the same flesh the Gnostics despised and accomplish what the first Adam failed to do. On the seals, for example, he merely alludes to Christ as the rider on the white horse. And we also, as the custom is, do designate men of this stamp as cattle and irrational beasts.

### **Irenaeus of Lyons (Author of *On the Apostolic Preaching*)**

They do not take this fact into consideration, that there are three things out of which, as I have shown, the complete man is composed-flesh, soul, and spirit. This being said, we're still in need of four additional books to complete *Against the Heresies*. But who is this Being? What was it, then, which was dead? Irenaeus believes Jesus coming in flesh and blood sanctified humanity so that it might again reflect the perfection associated with the likeness of the Divine.
