Naudé, Mazarin and the origins of France's oldest public library

Evelyn made the translation from the second French edition, which was appended to Louis Jacob's *Traité des plus belles bibliothèques du monde*, published in 1644, the year of his stay in Paris.

NAUDÉ, Gabriel (1600)

In general, topics are subject to alteration depending on student interests. Our next speaker will be UCL Honorary Senior Research Associate Jacque Glonski on Tuesday 12 September. This class is designed to provide the foundations for one.

Instructions concerning erecting of a library, 1661. Translated by John Evelyn

EVELYN, John (translator)

Mazarin set about extending and refurbishing the building, including two galleries by François Mansart to house his art collections, constructed between 1642 and 1644 today they form the Galleries Mansart and Mazarine of the Bibliothèque National de France. Laid-in at the front is a prospectus for this book.

Instructions Concerning Erecting of a Library, Presented to My Lord the President de Mesme by Naudé Gabriel (2009, Hardcover) for sale online

He believed that a good library must include works on all subjects and that scholars should be free to read these works because their contents and arguments had to be known in order to be refuted. To ensure a quality reading experience, this work has been proofread and republished using a

format that seamlessly blends the original graphical elements with text in an easy-to-read typeface.
