. Just wonderin' what your 10 favorite songs of his are during this period? His dynamic performance style can be seen in films such as he sang the title song from the back of a flatbed truck , and. I always liked 'It's A Hang Up Baby' though I wonder if it is JLL on the electric piano? There was no need to sculpt because Lewis arrived at Sun Studios fully formed, ready to lean back and play anything that crossed his mind.

**Together (Jerry Lee Lewis album)**

Like Chuck Berry's guitar playing, Lewis's piano style has become synonymous with rock and roll, having influenced generations of piano players.
