Introduction: Early Modern English Literature and Religion

ENGL 409A : This course studies the discursive, social, and rhetorical principles of argumentation, including topics such as evidence, reasoning, and the organization and presentation of arguments.

The Function of the Rhetoric of Maternity in the Representation of Female Sexuality, Religion, Nationality, and Race in Early Modern English Literature and Culture

The English teacher tried to swim ashore and was devoured. Personal letters are the origins of Modern English prose style, a refinement of spoken English unlike the oratorical complications of poetry or proclamations.

Definition and Discussion of Enlightenment Rhetoric

The artist who imitated those things the craftsman made, according to Plato, were at another, tertiary remove from the true source of creation, because they imitated the imitations of the craftsman. ENGL 320 : This course explores the social, political, and cultural contexts and consequences of contemporary technologies of representation such as print and visual media, photography and film, audio recordings, computer-mediated communications, and interactive digital media. Allegories may be narrative, dramatic i.
